Instruction to Teachers and Tutors

The Pearson Set Assignment will be assessed internally by the centre using the unit assessment criteria detailed in the qualification specification. The assignment will be sampled by the Standards Verifier as part of the standards verification annual centre visit.

Conditions of supervision

The Pearson Set Assignment should be undertaken in conditions that assure the authenticity of outcome. This may require supervision.

We advise that the Pearson Set Assignment be completed in sessions that come to a total of 15 hours. The Pearson Set Assignment should not be shared with learners prior to the start of the assessment period. Teachers/tutors are responsible for security of the Pearson Set Assignment and materials.

Outcomes for submission

Learners must complete this Set Assignment on a computer using appropriate software. Learners must save their work regularly and ensure that all materials can be identified as their work.

Learners must submit their own, independent work as detailed in the Set Assignment. Each learner must complete an authentication sheet.

It is important that the evidence provided can be independently authenticated by a Standards Verifier. It is required that there is evidence of research taking place.

Instruction to Learners

Read the Set Assignment Information carefully.

You will be asked to carry out specific activities using the information provided. You will be given a specific time period to complete the assignment.

At all times you must work independently and must not share your work with other learners. You must complete an authentication sheet and submit this along with your work. This document contains the information you need to prepare for the Set Assignment.

Set Assignment Information

Scenario

The Business: **Discount Designer Shopping**

Discount Designer Shopping is an outlet centre with a range of designer stores selling discounted items. The outlet centre has a range of 25 different clothing and footwear stores that are run by different retailers.

These include:

- clothes for children
- clothes for men
- clothes for women
- sportswear
- shoes.

Discount Designer Shopping has a plan to double the size of its centre to 50 stores. They have secured 10 new stores, which will open in August 2025:

- art store – selling paintings and art supplies
- bakery – selling cakes, doughnuts and bread
- beauty store – selling cosmetics and fragrances
- homeware store – selling towels and bedding
- cookware store – selling frying pans, saucepans and mixing bowls
- confectioners – selling chocolates and sweets
- jewellers – selling necklaces, bracelets, rings and watches
- café – selling hot drinks, cold drinks and snacks
- restaurant – selling hot meals and drinks
- toy shop – selling construction toys, cuddly toys and traditional toys.

The outlet centre is determined to be more family friendly by including:

- child-friendly stores
- children's menus in cafes and restaurants
- an indoor soft play area
- an outside play area
- arcade machines
- ride on cars.

The owners of **Discount Designer Shopping** need to produce a marketing plan.

The plan is to:

- attract more families to **Discount Designer Shopping**
- increase the numbers attending the outlet centre
- launch the 10 new stores
- offer more activities to keep children entertained.

You have been asked to produce a marketing plan for **Discount Designer Shopping**. The budget for the plan is \$35 000. The marketing plan needs to be completed in the next six months.

Set Assignment

You must complete ALL activities.

Activity 1

Create a presentation for the owners at **Discount Designer Shopping**. The presentation must have three sections on:

- marketing concepts
- advantages and disadvantages of promotional methods
- the promotional mix and marketing mix of an organisation.

Section 1: Marketing concepts

Explain the marketing concepts to the managers at **Discount Designer Shopping**. You must include:

- definitions of marketing and marketing objectives
- suitable marketing objectives for **Discount Designer Shopping**
- examples of primary research methods that could be used by **Discount Designer Shopping**
- examples of secondary research methods that could be used by **Discount Designer Shopping**
- the steps in the 'buyer decision-making process'
- unique selling points (USPs) for **Discount Designer Shopping**
- segmentation and targeting customers.

Section 2: Advantages and disadvantages of promotional methods

Advantages and disadvantages of each of the promotional methods listed:

- print
- outdoor
- social media promotions
- competitions
- public relations.

Justify promotional methods that will be suitable for **Discount Designer Shopping**.

Section 3: The promotional mix and marketing mix of an organisation

Research **one** organisation's promotions and marketing mix.

The activities must include:

- promotional methods
- the marketing mix currently used by the organisation for one of its products.

Based upon the research, include a section in your presentation that reviews the organisation's promotional activity. The presentation should include:

- reasons why the promotional activities were a success
- reasons why any promotional activities were less successful
- how the promotional activities might inform what **Discount Designer Shopping** does in its promotion
- any elements used by the researched organisation that are successful but would not be applicable for **Discount Designer Shopping**
- reasons why the marketing mix is a success or not for the organisation
- a supported conclusion on whether the promotions and marketing mix are a success.
